NUCU® Cookie Sheet

82004WH

NUCU[®] Cookie Sheet

NUCU's gold-coated cookie sheet gives you the results you need for all of your favorite cookie recipes. Our nonstick gold coating not only prevents overbrowning; it also allows for easy release of each cookie.

Additionally, the silicone handle allows you to pull your cookies out of the oven with ease. Made of 100% commercial grade aluminum, this is the only cookie sheet you'll ever need.

All NUCU bakeware is made in USA, and is dishwasher safe.

- 100% commercial grade aluminum.
- Dishwasher safe.
- Made in USA.
- Gold coating provides easy release.
- Gold color prevents over-browning.
- Easy-to-hold edges.
- Nonstick surface = longevity.
