

NUCU™ Bakeware

Limited One Year Warranty

This NUCU™ Bakeware is warranted by The Vollrath Company, L.L.C. to be free from defects in material and workmanship. Minor imperfections, surface markings as a result of shipping and slight color variations are normal and do not constitute a defective product. The warranty begins on the date of purchase by the original owner, whether a self-purchase or received as a gift. Coverage terminates when a covered consumer has owned the bakeware more than one year. Defective bakeware will, at Vollrath's election, be repaired or replaced. If the item is discontinued or is no longer available, Vollrath will replace your item with the most comparable item currently manufactured.

The following will invalidate your NUCU™ Warranty:

- Using NUCU Bakeware in conditions where heat is greater than 450 degrees Fahrenheit.
- Using metal utensils on any NUCU bakeware non-stick surface.
- Using scouring pads, steel wool, abrasive cleansers, and bleach.

This warranty is a limited one year warranty and does not cover lost or stolen items, or damage caused by accidents, fire or abuse. This warranty does not cover misuse of the products including overheating, improper cleaning, failure to follow the care and use instructions provided with the bakeware, neglect, alteration or use in a commercial setting. This warranty gives you specific legal rights and is your exclusive remedy. You may also have other rights which vary from state to state.
